自己PR(Self introduction)

今治の魅力は何と言っても、しまなみ海道と瀬戸内海の多島美が描く絶景。そして今治城や大山祇神社を始め、村上海賊ゆかりの史跡・遺跡など歴史ロマンあふれる地域です。日本遺産である「村上海賊」は日本独自の海の民、かつては瀬戸内を支配した海の兵。当地を訪れた外国人客に「KAIZOKU」の魅力を伝えていきます。趣味は天体写真です。

The Imabari and Shimanami area is renowned for its breathtaking views of the Seto Inland Sea, dotted with countless islands. The region is steeped in history and features sites connected to the Murakami Kaizoku, including Imabari Castle and Oyamazumi Shrine.

The Murakami Kaizoku were a unique group of maritime warriors who once ruled these waters. I aim to share the history and enduring appeal of the KAIZOKU with inbound tourists and help them better understand this fascinating maritime samurai.

My pastime is taking astro photos.
