## 自己 PR(Self introduction)

私は「楽」というコンセプトを大切にしています。ゲストの皆様が楽しみながらリラックスして過ごせる観光案内を 目指しています。

今治市やその周辺の魅力を伝えるために、地元の歴史や文化について深い知識を持ち、今治タオルや村上海賊の興味深い歴史、また、しまなみ海道の美しさを紹介します。情報だけでなく、ユーモアと笑顔を交えた楽しいツアーで、参加者の皆様が快適に過ごせるよう、また楽しい思い出となるような観光体験を提供します。

I value the concept of "fun." I strive to provide guided tours where guests can enjoy and relax. To convey the charm of Imabari and its surrounding areas, I draw on my extensive knowledge of local history and culture to introduce intriguing stories of Imabari towels, the Murakami pirates, and the beautiful Shimanami Kaido. Beyond sharing information, I aim to create a comfortable and enjoyable experience with tours filled with humor and smiles, leaving participants with pleasant memories.

One recommended route starts with a kimono experience, followed by a stroll around Imabari Castle. After enjoying a Yakitori lunch, the tour continues with a visit to an Imabari towel factory for a tour and shopping.

Another recommended route begins with a visit to the Murakami Pirate Museum and a tidal current experience. Next, walk around the ruins of Noshima Castle, associated with the Murakami pirates, and end the tour with a seafood BBQ.
